

Tom Cremer

Full-Stack & Back-End Developer

Curious to learn something new every day, whether in my job in web development or in my passions: athletics, photography and gardening. I speak both French and English (C1) fluently, and I'm always up for working as part of a team!

EXPERIENCE

Liège · 10/2025 - Present · Notice period

EPIC Agency

Back-end Developer | Permanent Contract

With 1 year of experience at Epic, I helped build and maintain 120+ websites as part of a 3-person team, mainly using PHP and WordPress. Also responsible for deployment and infrastructure.

- Back-end development in PHP
- WordPress management and development
- Deployment and infrastructure: Kubernetes (K8s), Caddyfile
- Continuous integration / continuous deployment (CI/CD)

Nandrin · 02/2025 - 04/2025

Oanna

Full-Stack Developer | Internship

Internship focused on front-end and back-end development. My job was to turn the designs into reality, with very high pixel-perfect standards.

- Front-end (HTML, SCSS, jQuery)
- Laravel
- CMS Made Simple

Plainevaux · 2020 - 2025

Traiteur Boucherie Simonis

Student Worker

5 years of experience in customer service and food preparation in a butcher's and catering shop, with a strong focus on customer satisfaction and friendly service.

- Customer contact
- Cutting and packaging
- Order preparation
- Deliveries

AWARD

Provincial Representative Award ◆ 24/09/2025

Award for students who demonstrated civic-mindedness and fair play during their studies.
